Subject: Renewal of Accreditation

Dear Sir,

This has reference to the assessment of your laboratory in Chemical Testing disciplines. NABL has evaluated the assessment report and decided to renew accreditation for Chemical Testing disciplines to your laboratory in accordance with ISO/IEC 17025:2005 standard for the scope recommended during the assessment. The authorized signatories are also approved as recommended by the assessment team.

Accreditation Certificate Nos. TC- 7130 for Chemical Testing with issue date 28.03.2018 valid till 27.03.2020 with the amendment on 13.04.18 is in the process of preparation. **Please send the soft copy of the recommended scope in word format. Thereafter the certificates will be sent to you.**

Being an accredited laboratory of NABL, you must fulfil all the Terms and Conditions laid down in our document NABL-131. You are requested to follow NABL-133 (current issue) for using NABL symbol.

The accreditation is subject to satisfactory continued compliance of NABL norms during the accreditation period. You are required to contact us after 10 months for desktop audit in Chemical Testing disciplines.

Sincerely

Ajay Sharma

Assistant director
